

SPRING NEWSLETTER

2022

After a long Winter we have finally entered the exciting season of Spring. The days are longer and sunnier, allowing children the freedom to explore their outdoor learning settings once again.

Early Childhood Educators' Day was on the 7th September this day recognises and celebrates the work of Australia's educators in early learning services for their wonderful contribution to the wellbeing and healthy development of the young children in their care. It's a chance to say thank you to Australia's early childhood educators on a very personal level by service operators, families and their children, as well as collectively at the national level.

Thank you to our educators for the amazing work you do. The role that they play in the lives of the children will be cherished forever. Your commitment, dedication and passion is noticed, appreciated and recognised.

Our Policy review is finally finished, and the new Policy & Procedure book is up on our website. Thank you to everyone that provided feedback.

DENTAL HEALTH

Have you been to
the dentist
lately??

IT IS RECOMMENDED THAT ALL CHILDREN VISIT THE DENTIST WHEN THE FIRST TOOTH PUSHES THROUGH OR BY 12 MONTHS OF AGE. TAKING A CHILD TO THE DENTIST EARLY AND WHEN THERE ARE NO PROBLEMS WITH THEIR TEETH, ALLOWS THEM TO GET TO KNOW THEIR DENTIST, HAVE A POSITIVE EXPERIENCE AND MAKE FUTURE VISITS MORE FAMILIAR.

ALL CHILDREN SHOULD VISIT THE DENTIST REGULARLY (EVERY SIX TO 12 MONTHS) FOR A CHECK-UP, EVEN IF THEY DON'T APPEAR TO HAVE ANY PROBLEMS. VISITING THE DENTIST REGULARLY CAN HELP PREVENTION, EARLY DETECTION, AND MANAGEMENT OF TOOTH DECAY.

Do you know about the CDBS?

The Australian Government's Child Dental Benefits Schedule (CDBS) funds a range of dental services including examinations, cleaning, fillings, and root canals at public and private dental clinics. Children aged between 0 and 17 years, who have a Medicare Card and are receiving a Centrelink payment are eligible for CDBS. You can check your eligibility by contacting the Department of Human Services.

KEY POINTS TO REMEMBER

- **CHILDREN SHOULD HAVE THEIR FIRST DENTAL VISIT WHEN THEIR FIRST TOOTH COMES THROUGH.**
- **CHILDREN SHOULD SEE A DENTIST REGULARLY, USUALLY EVERY SIX TO 12 MONTHS, EVEN IF THEY HAVE NO PROBLEMS WITH THEIR TEETH.**
- **CHILDREN SHOULD BRUSH THEIR TEETH TWICE A DAY, USING TOOTHPASTE CONTAINING FLUORIDE, FROM 18 MONTHS OF AGE.**
- **THE MAIN DRINK FOR CHILDREN SHOULD BE WATER – AVOID SUGARY FOODS AND DRINKS.**

Please ensure you pack all the things your child needs for the day- including weather appropriate spare clothes.

Sunscreen should be applied 20 minutes before sun exposure. We would love your help to ensure this happens. Could you please apply sunscreen to your child before they arrive each day.

Please let us know if any of your details have changed since enrolment.
