

# January 2021

We hope everyone had a lovely Christmas break, making wonderful memories after such a crazy year.

We would like to thank all of our educators for their dedication over the last year, it was definitely a hard one.

In October we held our AGM. We would like to introduce our new committee to you all.

**Narelle Aust - President**

**Sarah Prior - Secretary**

**Georgia Truman - Treasurer**

**Laura Mischke - General Member**

Thank you to all our committee members, without you our service would not be able to operate.

This year we are making a few changes to our enrolments. All of our new enrolments will be done online- hopefully this will all be up and running soon. We would also like to ask everyone to check their details are up to date with us. This includes your address, email address, phone numbers, authorised contacts and up to date immunisation records.

Sun protection at any age is important

### One of these things is not like the others

SunSmart hats protect the neck, ears, temples and sides of the face. Broad brimmed, bucket and legionnaire hats all offer very good protection to these vulnerable areas. Baseball caps and sun visors do not provide adequate protection to these areas which are common sites for skin cancer.

Sun Safety is important for all ages. Sunscreen should be applied at home before care, educators will reapply when necessary.

We also recommend that children come with T-shirts with sleeves or Polos and an appropriate hat. Broad brimmed hats are recommended by SunSmart.

# Leanne's Family Daycare

The children participated in celebrating book week by dressing up as their favourite book characters and we read a variety of different books

The day care children and their families again donated Christmas toys and food to the Dalby crisis centre and were learning about the importance of giving to others

We celebrated some of the children's birthdays with the children dressing up and assisting to bake birthday cakes, make party hats and play party games

Our end of year day care Christmas party was lots of fun and it was a great opportunity for the parents to have a catch up and to say good bye to Flynn, Oscar and Miranda who are moving on to prep also with Flynn leaving we say good bye to his family Kristen, Jason, Joel, Ella & Chloe who were my first day care family and they have been with my family day care for seven years. I wish them all well
