Miss Cath

WELCOME BACK!!

Welcome back to Term 1 of 2022 at Gulliver's Travels. We hope you had a lovely Christmas break spent with family and friends. We hope Santa brought everything you wished for and more!

We can not wait to hear about all of your holiday fun and adventures.

We are so excited to meet all of our new Families and our new little friends.

With our new building set up we are ecstatic to announce that we will be extending our numbers to 25 children which means we will need another educator.

We are very excited to announce that Miss Nic and Miss Tracey will be helping out on Mondays and Fridays. With all these extra hands there might be some new exciting changes.

Each term we will be emailing out a new newsletter, a new show and share roster and a new term roster. So ensure you are reading this to keep up to date with up and coming events at Gullivers.

Good luck to all the Gulliver children off to Prep this year!!

MEET

SID THE

SLOTH

This is Sid the Sloth. He is our class pet this year!

He is a happy sloth. He loves going on adventures and having his photo taken.

Each week, a child will take Sid home for an adventure and help him experience life outside of Gullivers. You will return Sid the following school Day.

SHOW & SHARE

Show and share is a much loved experience for children and educators. Children benefit from this group experience as it helps them speak in front of a group, builds confidence and builds on communication skills.

Bring in something you've created, something you've found or something you were given.

Please remember to check the show and share roster to know when your child has show and share.

Please no toys.
